Living Word Evangelical Free Church, Pharr, TX, was established in October 1987 in the Rio Grande Valley of Texas. The valley has a rich culture of Hispanic heritage as well as an influx of Winter Texans from up north each year. Worship is a combination of contemporary and traditional style led by gifted and talented musicians. Living Word is composed of young families, singles, and people in all stages of life, many of whom are actively serving our Lord. One of the most outstanding strengths of our church is its focus on the accurate exposition and application of the Word of God through preaching and teaching.
