

ACTS students who wish to change their seminary affiliation may do so after conferral with the dean of their new seminary of choice. All changes in seminary affiliation will be communicated to the deans of both seminaries affected by the change. Once complete, this form can be submitted at the ACTS office.

Process:

1. Confer with the seminary dean of your new seminary of choice.
2. Complete the Seminary Transfer Form and submit it to the ACTS office.
3. The TWU Registrar will be informed of the change and update your status in the registration system.
4. The appropriate seminary deans will be notified of your change in status.

Note:

- The change in seminary affiliation will take effect at the beginning of the next academic semester.
- Changing seminary affiliation may affect eligibility for seminary-specific financial awards.
- Seminaries may have additional course requirements that are not reflected in the general degree program outline.
