- Police Check

- CAMFT Student Membership
- ACTS – MCS MFT Student Commitment to Ethical Practice
- MCS MFT Student Agreement Contract
- Privacy Information Orientation

## **Course Activities/Requirements**

**Forms that must be completed during the course of the practicum:**

- Site supervisor mid-term evaluation form
- Practicum/Internship Hours Log
- Site supervisor final evaluation
- Student self-evaluation
- Site evaluation

**Person of the Therapist Journal:** Weekly entries (one for each week of practicum) focusing on what is being learned, and reflection on signature themes

## **Course Evaluation**

- Students will be evaluated in an ongoing fashion in group and individual supervision.
- Students will receive a mid-term evaluation in individual supervision in March.
- Students will receive a final evaluation on the last day of class. Part of the final evaluation will include submitting a videotape cued to their best and worst work accompanied by a written explanation of what conceptual and executive skills could be improved. The tape will be reviewed in your final evaluation. Come prepared to discuss what you have written. Your write-up will become the basis for personal and professional goals in your Internship. Further information will be available concerning Perceptual, conceptual and executive skills.

NOTE: students are expected to show a willingness to receive feedback and make changes in their work in order to improve their skills to such a level that they can progress to their internship. A teachable attitude and appropriate behavior with clients and in supervision is necessary for success in this course as well. Mere fulfillment of hours does not guarantee passing the practicum.

## **Grading System**

---

Grading Scale: Students in the MFT 590 will receive one of the following marks:

**Pass:** The student has satisfied all course requirements and demonstrated a consistent skill level and professional development to progress to internship work.

**Fail:** The student is no longer eligible to move forward in the program, and will not be approved for Candidacy. The Program committee will give guidance.

- In the case of a breach of ethical conduct, students will be considered for expulsion from the program.

## Course Policies

### **ACADEMIC INTEGRITY AND AVOIDING PLAGIARISM AT TWU**

One of the core values of Trinity Western University is the integration of academic excellence with high standards of personal, moral, and spiritual integrity. The University considers it a serious offence when an individual attempts to gain unearned academic credit. It is the student's responsibility to be informed about what constitutes academic misconduct. For details on this, and on identifying and avoiding plagiarism go to the [University Homepage > Academics > Academic Calendar](#) (p. 47).

### **STUDENTS WITH A DISABILITY**

Students with a disability who need assistance are encouraged to contact the Equity of Access Office upon admission to TWU to discuss their specific needs. All disabilities must be recently documented by an appropriately certified professional and include the educational impact of the disability along with recommended accommodations. Within the first two weeks of the semester, students must meet with their professors to agree on accommodations appropriate to each class. Students should follow the steps detailed by the Equity of Access Office on their website at:

<http://www.twu.ca/student-life/student-success/disabilities-and-equity-access>.

**HOSPITALITY IN THE CLASSROOM**

TWU is committed to an ethic of inclusion centred on the principles of Christian hospitality, reciprocity and reconciliation. We seek to cultivate generous learning spaces that are based on respect for differences and are open to diverse views, opinions, and identities that are thoughtfully expressed in a collegial manner. We welcome and value all voices, including those from under-represented groups or those who have been marginalized.
