# LAND ACKNOWLEDGMENT

ACTS SEMINARIES IS LOCATED ON THE TRINITY WESTERN UNIVERSITY CAMPUS, ON THE TRADITIONAL AND UNCEDED TERRITORY OF THE KWANTLEN, KATZIE AND STÓ:LÔ FIRST NATIONS.

## ACTS Seminaries

The Associated Canadian Theological Schools (ACTS) of Trinity Western University is an educational meeting place, where faculty and students come together in the conviction that more can be learned through cooperation than in isolation.

We are a partnership of four denominational seminaries - each of whom bring a unique history and approach to their love for Jesus and their desire to live out the gospel in the church and the world. As a student at ACTS, you have access to a broader range of resources than any one seminary could offer independently.

This creates a balanced learning environment that welcomes and engages multiple perspectives, helping you become more fully aware and engaged in your own community. As a result, you are better able to serve wherever God has called you.

## A Partnership of Four Seminaries

ACTS is a partnership of four distinct Canadian Seminaries working together to form and equip people to serve God in the church and the world.

- Canadian Baptist Seminary
- MB Seminary
- Northwest Seminary - College
- Trinity Western Seminary

ACTS also partners with the Canada Institute of Linguistics (CanIL), a ministry of Wycliffe Bible Translators, and Vancouver Institute for Evangelical Worldview (VIEW).

## Mission

Our mission is to develop godly servant leaders who have a love and burden for people based on a strong commitment to Jesus Christ, the Word of God, and the ministry of the church, who will energetically strengthen, revitalize and actively multiply communities of effectively ministering believers in Canada and around the world.

## Vision

- Affirm, live under and promote the authority of the Bible as God's Word, producing graduates who are competent to read, interpret, apply and communicate Scripture.
- Develop leaders who understand and uphold the convictions and distinctions of their faith traditions, applying them effectively in whatever work God has called them.
- Equip graduates to address competently the Canadian cultural mosaic, reaching it with the gospel.
- Train pastors, global workers, teachers, evangelists, and other vocational and non-vocational Christian leaders to have a transforming vision for ministry in their communities and around the world.
- Foster excellent thinking, writing and speaking skills that enable students to make a significant contribution to Christian scholarship.

## Values

ACTS Seminaries is wholeheartedly committed to historic orthodox Christianity as expressed by the statements of faith of Trinity Western University and the denominations represented by our member seminaries.

### The Word of God:

We hold a common commitment to the Bible as authoritative over our teaching and life. Our educational programs emphasize applying the scriptures to our daily personal and interpersonal behavior as well as our ministry calling.

### Transformation:

God calls us to holiness. This involves bringing our personal and corporate life into alignment with the mind of Christ, challenging us to love God and serve others. ACTS expects graduate students to consistently grow in their devotion to Christ.

### Collaboration:

ACTS is a multi-denominational partnership committed to working collaboratively with one another. This makes ACTS a welcoming place to study for students from any denomination. We are committed to theological education for effective, relevant ministry in any context where God calls Christians to serve.

### Community:

ACTS students represent a variety of traditions and points of view within the broad context of the Evangelical Protestant faith. In fact, about half the student body comes from denominations other than the four that support our seminaries directly. Living and learning in community with those who are different from ourselves but who love Jesus is an amazing experience.

# *Frequently Asked* **QUESTIONS**

**Q: How is ACTS Seminaries related to Trinity Western University?**

ACTS Seminaries is a partnership of four seminaries that form a graduate school of theological studies at TWU. ACTS students are TWU students, and ACTS alumni are TWU alumni. This means that as an ACTS student, you get access to all TWU services. \*Please note, the ACTS consortium will dissolve on April 30, 2026. Connect with the ACTS Main Office for details on how graduate theological studies will continue on campus.

**Q: What does it mean that I am a part of a certain seminary within the ACTS Seminaries partnership?**

Being part of a seminary helps create networking opportunities in the associated denomination, and the faculty from each seminary pray for their students. There are also distinct financial aid options available for students of each seminary. In addition, Trinity Western University and the name of your seminary will be printed on your diploma.

\*Please note, the ACTS consortium will dissolve on April 30, 2026. Connect with the ACTS Main Office for details on how graduate theological studies will continue on campus.

**Q: How much time do I need to devote to my studies?**

For weekly on-campus/live-stream courses (12 weeks), expect to spend 8-10 hours per week, including time in class. For online courses (8 weeks), expect to spend 12-15 hours per week, including pre-recorded lectures. Essentially, each credit will require about forty hours of work.

**Q: Where do I find information regarding my academic or financial needs?**

For all the most important information, go to the Student Services Hub at [twu.ca/help](https://twu.ca/help). There you will find links to course registration and to your financial statement. Any questions can be directed to the appropriate department by clicking "Service Hub".

# QUESTIONS (continued)

**Q: How does financial aid work?**

There are three options for financial aid:

1. TWU need-based awards
2. TWU endowment awards for specific programs or students meeting certain criteria.
3. Seminary-specific awards. Seminaries have more flexibility to offer financial aid to part-time students. Contact your seminary for more information.

**NOTE:** There are no TWU financial aid options available for the summer term.

Applications for the upcoming academic year (September to April), open in mid-January.

Apply by April 30 to maximize your financial aid potential. Find more information [here](#).

**Q: How do I know what classes I need to take?**

“My Course Needs” tool will be one of your greatest assets during your journey at ACTS. It is a template with a list of all the courses in your program and it tells you exactly which courses you have completed and which ones you still need to complete. This tool will be available by the end of your first semester. Find it by going to [twu.ca/help](http://twu.ca/help) and clicking “Student Portal”, then clicking “My Account”.

If you are still unsure which classes you should take, do not hesitate to contact our Student Success Coordinator: [joel.meszaros@twu.ca](mailto:joel.meszaros@twu.ca)

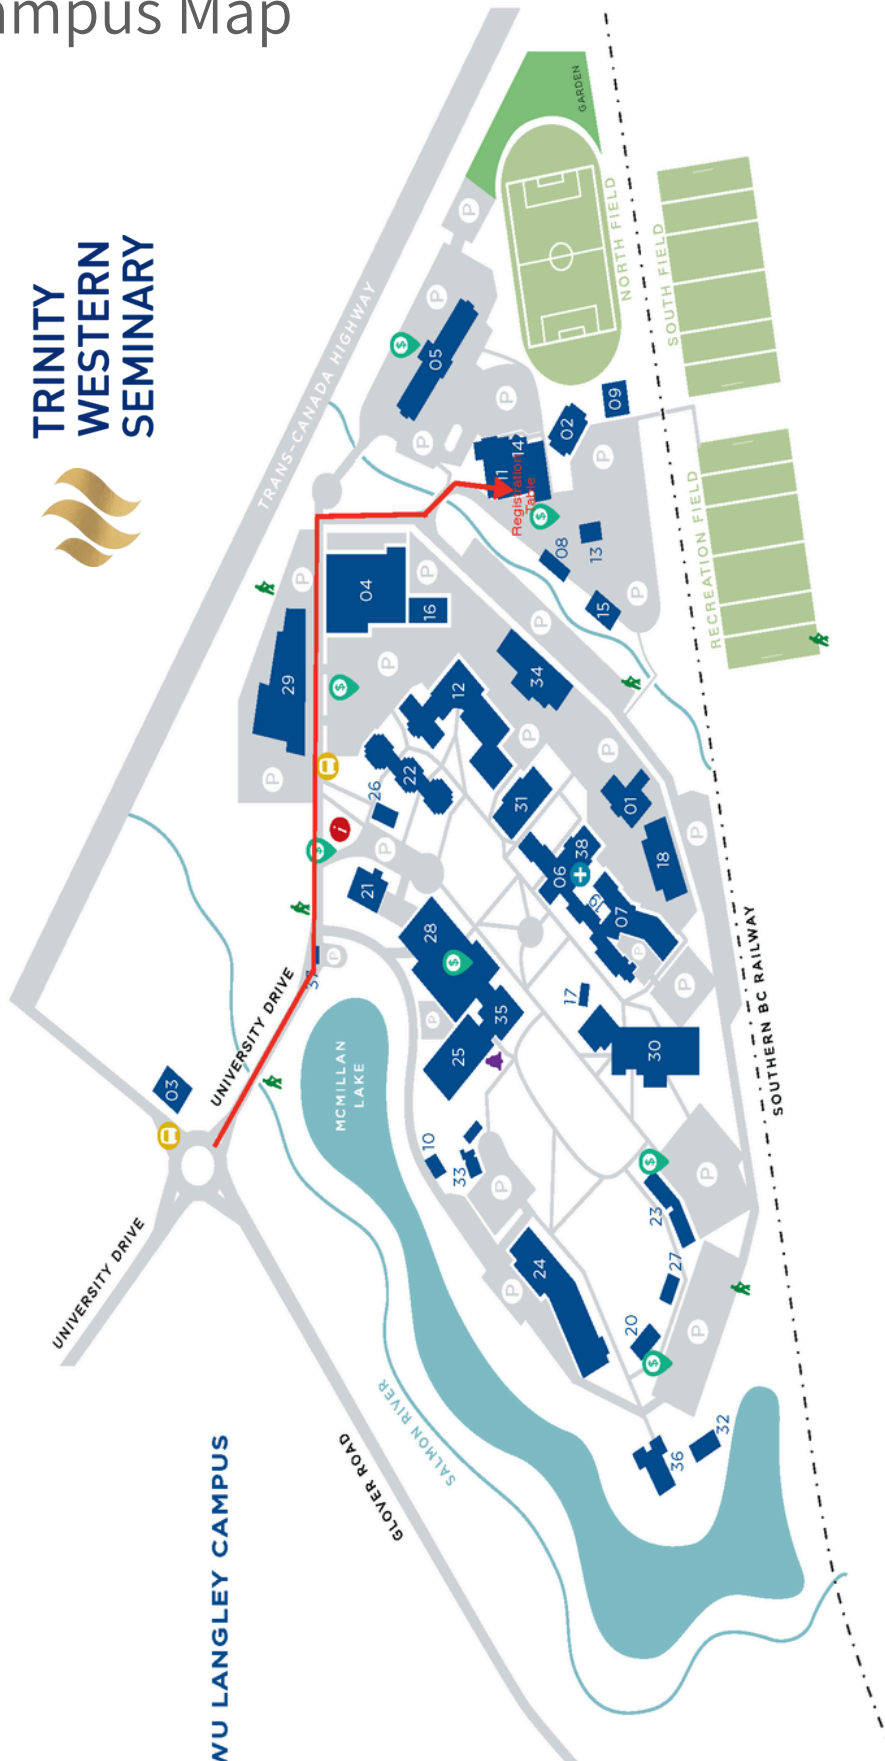

**Q: Can I plan out my courses a year in advance?**

Yes! By March each year, ACTS publishes the course schedule for the upcoming summer, fall and following spring. Because some courses are not offered each year, it is important to meet with our Student Success Coordinator to plan when to take certain courses.
